

Letter of Recommendation

THE EXTRAORDINARY ORDINARY STUDENT AWARD 2023

Please submit **three** recommendations: **one each** from a teacher, a parent, and a work or community service supervisor. All three recommenders must address the four topics listed below. Either you or your recommenders may send letters to **ninaff24@gmail.com**. Direct questions to this same email address or call (480)227-0801 (cell). If a parent needs to write the letter in a different language, that is not a problem. We have multiple translators available.
